NARRATIVE:

Patrick Micklis is a documented gang member and has an extensive adult criminal history that began at the age of 20. His convictions include robbery, burglary, being under the influence of controlled substances, possession of controlled substances, vehicle theft, trespassing, drug sales and auto theft with prior convictions. He has served multiple state prison terms, the longest being a 4 year term for auto theft with prior convictions. Micklis was released from state prison to the supervision of the Los Angeles County Probation Department on December 18, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in July 2015 after he absconded from post release community supervision (PRCS). Micklis qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for auto theft with prior convictions is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
